VENUE SUMMARY VIDEO

b.BUILDING

On the fifth floor of the Casa Matesanz, an architectural landmark located at number 27 of Madrid's Gran Vía, Gran Vía HUB was born.

A space for events where the experience begins at street level: soaring ceilings from which two stately elevators glide, which it is architect, Antonio Palacios, decided to culminate with a majestic staircase that winds it is way to the upper floors.

C.VENUE

Gran Vía HUB is a 300-square-meter open space, distinguished by its large windows that offer a stunning panoramic view of the capital, providing a bird's-eye view of Gran Vía.

A place that perfectly blends the classic with the modern, set in an environment of subtle elegance.

*Maximum capacity: 80 people simultaneously (this figure includes all staff: waiters, agency personnel, venue staff, technicians, etc.)
